

**ANOMALY VINEYARDS**  
**2015 CABERNET SAUVIGNON**

Anomaly Vineyards is located at the base of the Mayacamas Mountains just west of the town of St Helena in California's Napa Valley. From our 8 acre vineyard, planted to the Bordeaux varietals Cabernet Sauvignon, Cabernet Franc and Petit Verdot, we specialize in the production of just one wine, the Anomaly Vineyards Cabernet Sauvignon.

Owners Steve and Linda Goldfarb serve as stewards of the property, while relying on Winemaker Mark Porembski to frame the grace of the vineyard in each successive vintage. Although drinking beautifully now, the 2015 Anomaly will continue to evolve in the cellar and could be held to age for a decade or more.

**WINEMAKER'S TASTING NOTES:**

*A dry winter and warm spring lead to an early bud break in 2015. Drought conditions persisted, and harvest came earlier than usual. Competition on the vine was fierce, thus yields were considerably smaller than in past years. We combatted the intense growing season by employing shade cloth on all of our blocks as well as managing our canopy and irrigations systems with great precision. From this struggle a success story emerged, as the fruit we harvested was perfectly ripe and incredibly concentrated.*

*Our 2015 Cabernet Sauvignon exemplifies the classic style for which Anomaly has become known. It is a dense wine with focused minerality and taut tannins. Complex spice notes and dark, intricate oak tones give character to this age-worthy Cabernet.*
