

Anomaly Vineyards

2017 Cabernet Sauvignon

Anomaly Vineyards is located at the base of the Mayacamas Mountains just west of the town of St Helena in California's Napa Valley. From our 8 acre vineyard, planted to the Bordeaux varietals Cabernet Sauvignon, Cabernet Franc and Petit Verdot, we specialize in the production of just one wine, the Anomaly Vineyards Cabernet Sauvignon.

Owners Steve and Linda Goldfarb serve as stewards of the property, while relying on Winemaker Mark Porembski to frame the grace of the vineyard in each successive vintage. Although drinking beautifully now, the 2017 Anomaly will continue to evolve in the cellar and could be held to age for a decade or more.

Winemaker's Tasting Notes:

The 2017 vintage was a quick growing season with a late spring and a generally cool summer. Fortunately, we received the muchneeded Labor Day heat wave that helped push the vines to perfect maturity.

The 2017 Anomaly Cabernet is a classic vintage; it drills down on integrity and purity. With intricate notes of cinnamon, orange zest, and oak derived spice, we are invited to explore the mystery of what lies behind the curtain. Playful, savory undertones of vanilla bean, dark cherry, and roasted meats are accented by a subtle hint of maple.

This wine is textural and layered; it develops in the glass. The 2017 is approachable with a few hours of a decant, however those who cellar the 2017 for longer will be the most rewarded.
